## Glossary

### Accident Indicator

AutoFax receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to AutoFax. As details about the accident become available, those additional details are added to the AutoFax Vehicle History Report. AutoFax recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2015 edition, 8% of the 254 million registered vehicles in the U.S. were involved in an accident in 2013. Over 74% of these were considered minor or moderate.
- This AutoFax Vehicle History Report is based only on information supplied to AutoFax and available as of 8/28/21 at 7:29:59 PM (CDT). Other information about this vehicle, including problems, may not have been reported to AutoFax. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

### Ownership History

AutoFax defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, AutoFax proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Title Issued

-----  
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a AutoFax report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
